

Call for Participation in the “14th Japan TRIZ Symposium 2018”

2018.6.8

Chairperson, Japan TRIZ Symposium

The Japan TRIZ Society, NPO, is going to hold the 14th Japan TRIZ Symposium 2018 in order to widely present, discuss and communicate about the creative technical innovation method “TRIZ.”

Since “TRIZ” was introduced to Japan in 1996 as a philosophy, methodology and knowledge engineering tool which strongly supports the technical innovation in the industry field, many application cases and researches were introduced, and this symposium has been held every year so far, 13 times in total.

It is packed with the most useful information for developing innovative things, technologies and systems. Please apply for participation.

We are looking forward to the participation of many people.

For participation, please apply from:
